RE: David Gordon and Jacqueline Swiskey V. Brian Palumbo, et al,
07 CV 6624 (PKC).

Dear Judge Castel:

I am informed by United Process Service that, at considerable expense, while more than two-thirds of the defendants in the above referenced action have, as of about 2:30 PM today, been served, one (or more ?) has changed their address to a different county, requiring a repeat effort. Therefore, Ms Swiskey and I respectfully request an extension of time for service and the filing of the affidavits from the process servers.

Respectfully,

David Gordon

As it appears from the Court's docket that almost all of the defendants have been served, and as it thus appears that plaintiffs have made diligent efforts to effectuate service, plaintiff's time to serve any remaining defendants is extended, in the interest of justice, to April 30, 2008.

PRIVACY ACT ORDER

Plaintiff having served "Plaintiff's First Request to Produce and Interrogatories," under cover dated December 5, 2007, and defendants having objected to plaintiff's request for an investigative file relating to the investigation of another employee of the United States Department of Agriculture ("USDA") to the extent that defendants are prohibited from such production by the Privacy Act of 1974, 5 U.S.C. § 552a, and it appearing that such disclosure is in the interests of justice and is subject to the Confidentiality Order being entered simultaneously herewith, it is
